Room 310, City Hall
2:30 p.m.

PRESENT: Dean Gerondale, Ben Heiman, Kathy De Cremer, Heidi Michel

EXCUSED: Renee Keehan

ALSO PRESENT FOR PART OF THE MEETING: Alderman David Boyce

The meeting was called to order by Dean Gerondale.

1. APPROVAL OF THE MINUTES

Motion made by Kathy De Cremer to approve the January 9, 2013 Minutes, seconded by Ben Heiman. All in favor. Motion carried.

Dean Gerondale asked about the status of Eric Zendejas' appeal. Eric appeared by telephone last month while incarcerated and asked that his appeal be postponed until this month, as he preferred to appear in person. The law department received an email from Eric's parole officer stating the address he requested was no longer an option and asked that Eric be removed from February's agenda. Dean Gerondale would like Attorney Decker to contact Eric's parole officer and find out where he is living.

2. APPEALS

a. Appeal of Jason Stache requesting to move to 1114 Stuart Street

Jason appeared in person. He is here as a follow up to last month's meeting. Jason was asked to bring treatment and employment documentation. Jason approved discussing his treatment in open session.

Jason gave the board a letter from Jim Drake which states Jason is "making progress via the treatment process and will continue to be a part of the program on a weekly basis." Jason also showed the board his pay stubs. While in treatment with Jim Drake, Jason stated he has become aware of his decision making patterns. At the time of the offense, Jason had been consuming alcohol and made bad choices. Jason is now content and has a full time job with a variety of duties. His bills are paid up until next month.

Besides working and going to treatment, Jason is trying to establish a relationship with his son and family members. He also likes to read, do artwork, exercise and meditate.

Jason stated he is “at peace.” He’s not perfect but feels he can do what needs to be done. He feels he’s well educated and in good health.

Heidi Michel reviewed Jason’s case plan.

A motion to APPROVE the appeal of Jason Stache, address specific, was made by Kathy De Cremer, seconded by Heidi Michel. All in favor. Motion carried.

- b. Appeal of Michael Lee Douville requesting to move to 1725 Western Avenue, Apt. 3

Michael appeared in person. Michael does not have a letter from the landlord because it has been rented out to someone else. Michael came to the meeting because he was on the agenda. There are some other apartments available in this area and Michael will come back before the board once he gets a potential address.

A motion to POSTPONE the appeal of Michael Douville until the March 13, 2013 meeting was made by Ben Heiman, seconded by Heidi Michel. All in favor. Motion carried.

- c. Appeal of Luis Cisneros requesting to move to 1915 Deckner Avenue

Luis Cisneros did not appear. A motion to DENY the appeal of Luis Cisneros was made by Heidi Michel, seconded by Ben Heiman. All in favor. Motion carried.

- d. Appeal of Beau Phillips requesting to move to 1915 Belmont Drive

Beau appeared in person. Dean Gerondale advised Beau of his right to discuss treatment issues in closed session and informed him not to use the names of the victims.

When asked about the offense, Beau stated he was attending West High School at the time and his cousin introduced him to one of her friends. They started dating. Beau was 17 and the victim was 15. Four months later they began having sexual intercourse and the victim became pregnant in March 2005. The hospital contacted Human Services, who then contacted the police. Beau pleaded no contest.

Dean Gerondale made a motion to go into closed session to discuss Beau’s 2000 juvenile offense. Dean was then informed by the legal secretary that juvenile offenders no longer have to appear before the Board. Dean stated he does not believe the City Council is aware of this. A call was placed to Attorney Decker to clarify this, but Attorney Decker was out of the office. Dean does not believe the board was told about this when the ordinance was amended.

Beau was incarcerated for three years on the 2005 offense. His sentence was originally one year and five months, but Beau was revoked for traveling out of state without a travel permit. He was resentenced to three in and three out.

Beau would be living with his uncle at this address. Beau obtained his GED in 2008 from NWTC. He is not currently employed, but is looking for a job. He's contacted Home Depot, Menards, Lowes and Dollar Tree. He's also gone to Kelly Services, Remedy and Tempemployment.

Beau was released from the Door County Jail on January 17, 2013. Since then he's been staying with different family members. The board originally approved Beau to stay at the TLP. After that he move in with a friend in Bellevue. He then got an interstate compact to Indiana. He was there until October 2, 2012 when they arrested him for failure to report. However, his parole officer had switched him to a new case load and said he would receive a letter telling him whom to see and when. He never received the letter and the sheriff's department picked him up saying Wisconsin wanted him back. It was actually Fort Wayne that sent him back because he had reported.

Beau just started his SOT last week. The reason it says Beau failed in the past to attend SOT is because parole officer Erin Murto did not notify Torland Adkins (SOT) that Beau's interstate compact had gone through and because of this, Tor listed him as failure to show because Beau did not notify him he wouldn't be attending.

The person Beau would be living with is present at the meeting (name not given) and has no problem with Beau living there.

A motion to approve the appeal of Beau Phillips was made by Heidi Michel, no second. Motion fails.

A motion to DENY the appeal of Beau Phillips was made by Dean Gerondale, seconded by Ben Heiman.

Discussion: Dean Gerondale stated that when they saw Beau previously, the board was able to take into consideration his juvenile offense and now they cannot do that. Dean is taking into account previous notes because they are public record. Also, because Beau just started his SOT training, the board has no information on how he is doing. Dean feels if Beau had a month into it and he could provide the board with documentation, he could come before the board again. Dean does not see the location as being a problem.

Beau is concerned because he is running out of family members to stay with, since he is only allowed three days at each location.

Dean suggested Beau bring treatment documentation to the law department and the board could possibly meet before next month's meeting to review his appeal again.

All in favor of motion to DENY. Motion carried.

3. **NEXT MEETING DATE**

The next meeting date of March 13, 2013 was confirmed.

Motion to adjourn made by Ben Heiman, seconded by Kathy De Cremer. All in favor.
Motion carried.
